# Peak Performance

## AWARD WINNERS

---

The **Peak Performance Awards** recognize Member Agency facilities for excellence in wastewater treatment as measured by compliance with their NPDES permit, as well as those facilities that operate under a federal or state equivalent NPDES permit, an underground injection control permit, or a state control mechanism that regulates effluent quality and reuse of reclaimed flows. This award program offers national recognition for the hard work and commitment to excellence NACWA members put forth everyday on behalf of the environment and their communities.
