Barnes & Thornburg LLP
Chicago, IL

Erika Powers is a partner and serves as Chair of the Environmental Department at Barnes & Thornburg LLP, with offices throughout the Midwest, in Atlanta, and on both coasts. For more than 20 years, she has focused her practice on water quality issues, and has represented the regulated community on water regulatory, policy, and enforcement issues at the federal, state, and local levels. She now spends the majority of her time helping municipal clients across the country solve a wide range of water issues—from federal wet weather consent decree negotiations, to permit appeals, to everyday regulatory and compliance issues. Ms. Powers is a graduate of the University of Michigan Law School, and has been selected by her peers as one of the *Best Lawyers in America*® in Environmental Law.
