CONSIDERATIONS FOR INCORPORATING EJ INTO OPERATIONS – AN ALL COMMUNITY, ALL PROJECT, ALL SITE APPROACH

- Incorporation into EMS/Audit Protocol/Other SOPs ("part of ordinary course of business")
- Trends in Environmental Fines / Penalties
- Compliance Rate; Time to Return to Compliance
- Permits Issued Without Appeal (internal)
- Reduced Emissions / Releases / Wetlands Conserved
- Public Availability of Monitoring Data

- Assess/present project as community asset
- # Minority/Local Businesses in Supply Chain
- # Minority/Local Businesses Retained
- Business Groups (incl. minority)
- # Local Individuals Hired (Set Radius from Facility) (Retained/Promoted)

Traditional

("track record as a good community member")

Corporate

Economic

Community

- Board Engagement/C-Suite Engagement
- Leadership Teams (regulatory, legal, communications, planning, siting)
- EJ Statement and/or Policy
